Cleanliness Without Compromise

Hako

HAKO CONTRACTOR SERIES

Scrubmaster B45-HC

Walk-behind scrubber-drier

Compact design for small to medium-sized areas

The Hako Contractor Series *incorporates Hako's renowned design features, robust build quality, consistent performance and reliability at a competitive price point.*

The ***B45-HC*** *51cm is capable of cleaning up to 2040m2 of flooring per hour. It features long-life, maintenance-free gel batteries, German made control boards, and a user-friendly design.*

HAKO CONTRACTOR SERIES

Uncompromising Quality, Exceptional Value

Long-life, maintenance free batteries

A premium upgrade over traditional lead-acid batteries, our sealed gel system eliminates the risk of corrosive leaks and spills while delivering a significantly longer service life.

On-board dosing

Provides on-demand dosing of cleaning solutions with consistent mixing ratio of chemical and water. Enhances performance and limits chemical usage to only when actually required. This results in improving operational efficiency.

Eco mode

Single button activation for floor scrubbing with reduced noise levels. Ideal for sound-sensitive areas and, extended battery life.

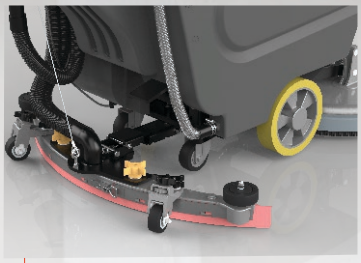

Chemical Dosing Included as Standard

Large LCD Display

An intuitive, LCD display with durable and functional control panel puts full machine control at your fingertips

Premium Linatex squeegee standard

Brush motor with thermal overload protection
Ensures safe operation and motor protection with automatic shutdown at high operating temperature.

Anti-foam tank design
Hako's proprietary tank design is engineered to reduce the risk of foam entering the vacuum motor.

Aluminum alloy brush head
Impact-resistant, lightweight yet durable and dimensionally stable

Automatic brush loading/unloading
Cuts changeover time and boosts productivity
